INCLINE CONVEYOR WITH ERGO STANDS

Custom built to all your specifications. Produced and constructed from 300 series stainless steel with **AMI's Sanitation Equipment Design Principles** and ease of cleaning in mind. Ergonomic employee stands, drip pans, VFD's, are just a few of the options available.

Standard features include all tig welded framework, adjustable legs, composite bearings, square stainless steel shafts, and stainless steel wash-down motors.

Each conveyor is custom designed to your individual needs.

All of our conveyors are manufactured and designed with production needs, endurance, sanitation, and ease of maintenance in mind.

ALL PRODUCTS AND SERVICES CARRY A 100% SATISFACTION GUARANTEE FOR QUALITY, DURABILITY AND RELIABILITY.
